

SMALL PARCEL SERVICE

HELENA
VOYAGE 04
ETA: 12/05/2018
ETD: 16/05/2018

Due to Customs regulations we are unable to run the small parcel service as in the past. In future when small parcels are being delivered to our warehouse we will require a packing list and commercial invoice. Small Parcels that are being sent to the Island by Clearing and Forwarding Agents will have to deliver the parcel together with the necessary customs documents to the warehouse.

Please note that the blue small parcel form will still have to be completed for manifesting purposes.

NOTE:

Small parcels will have to be delivered to our warehouse by 8th May 2018 and no later than 15h00 in order for the cargo to be containerized. Any small parcel delivered after 15h00 on 8th May 2018 will **NOT** be shipped.

Please note that refrigerated small parcels should be delivered directly to the vessel with the correct customs/ Port documentation – Small Parcel form will still have to be completed at our warehouse before delivered to the vessel.

Please note all small parcels, except for refrigerated small parcels, are to be delivered to
